Vineyard medical Centre (VMC) is an accredited General Practice which offers a broad range of health services for the community. Our purpose-built practice opened its doors on Monday 5th September 2016.

Our 'one stop spot' for health care comprises of 8 permanent General Practitioners, 2 treatment rooms and emergency room with a highly skilled nursing team, onsite Pathology, allied health and growing range of specialists. Coming to our practice in the near future will be onsite pharmacy and dentist.

Practice Hours

Monday to Friday: 7.00am – 6.00pm

Saturday: 8.30am -1.00pm

Sundays & public holidays: closed

Appointments

Appointments at VMC can be made either by calling our reception on 9216 5600 or by booking an appointment online via our website (PC only) or using the HotDoc app which can be downloaded via the app store for any smart phone.

Every effort will be made to accommodate your preferred time & GP. Appointments are usually made at 15-minute intervals. Emergencies will always be given priority and our reception staff will attempt to contact you if there is any unforeseen delay or your GP has been called away. Longer consultations times are available, so please ask our receptionists if you require some extra time. If you or a family member requires an interpreter service, we can organise this for you. Please let us know when you make the appointment.

Fees

VMC is a private billing practice with discounted rates for those patients who hold a healthcare card (HCC). We do require full payment on the day and payment can be accepted via EFTPOS, cash or cheque. If you wish we can also submit same day accounts to Medicare for your rebate. We are able to submit your account using Tyro to obtain the rebate back onto your cheque or savings card within 2-3 seconds.

Patients referred to other service providers may have an out-of-pocket fee. For more information regarding costs please discuss this with reception or the service you have been referred to.

After Hours

Please dial 000 if you are experiencing an emergency.

If medical attention is required outside operating hours, a telephone call to the Medical Centre on (03) 9216 5600 will divert your call to our after-hours care provider, National Home Doctors Service who are an accredited medical deputising service that will service the Sunbury area.

Telephone Access

Doctors at the Medical Centre are available by appointment only during normal operating hours, which may include Telehealth consultations if you meet Medicare eligibility requirements. Please note that reception cannot relay messages to doctors on your behalf. In the event of an emergency, your call will be triaged by a Nurse.

Home Visits

In cases deemed appropriate, a home visit will be provided. But, when possible, it is preferred the patient comes to the practice where we have facilities & equipment to provide the best care for the patient.

Parking

VMC have onsite parking at the rear of the building which can be accessed from the service lane on Vineyard Road. There are several parking spots available at the front of the practice and also disabled parking located at the rear door of the practice for easy access.

Feedback

We encourage patients to provide feedback, both positive & negative to management. Although we love hearing what patients like about our centre & team, we acknowledge that we can always improve and this is when feedback can be most beneficial to a practice. We run annual patient surveys to comply with accreditation standards but welcome patients to provide feedback at any time they wish.

Medical records & privacy

Your medical record is a confidential document. It is the policy of this practice to maintain security of personal health information at all times and ensure that this information is only available to authorised members of staff. Vineyard Medical Centre complies with the Privacy Act 1988 including the way we collect, store, use and disclose health information. For more information, please ask for a copy of our Privacy Policy at reception. Should you require access to your medical information held by this centre please discuss this with your doctor or the Practice Manager.
